FIRST TIMES, LAST TIMES

01 *This week our interview is with Ben*
 02 *Silverstone, a young actor with a great future.*
 03 *His films include The Browning Version, Lolita,*
 04 *and Get Real.*

05 **When was the first time you went out**
 06 **with a girl?** When I was 12, I took a girl from
 07 school to the cinema and then to McDonald's –
 08 very romantic! But I didn't have a serious
 09 girlfriend until I was 18.

10 **When was the first time you smoked a**
 11 **cigarette?** When I was 14. I was in a film called
 12 *The Browning Version*. One night after we
 13 finished filming, I sat with some of the other
 14 young actors on the roof of our hotel and I had
 15 my first cigarette under the stars. I didn't really
 16 enjoy it because I was **frightened** of falling off
 17 the roof.

18 **When was the last time you _____ in the**
 19 **cinema?** A long time ago! I don't remember the
 20 film. But I remember seeing Dead Poets'
 21 Society with my father when I was about ten. I
 22 thought I was very adult because I didn't cry at
 23 the end. Then I looked at my father and he was
 24 crying! Very confusing when you're ten years
 25 old.

26 **When was the last time you went to a**
 27 **party?** Last Saturday. It was a barbecue. When
 28 summer comes, the English love barbecues in
 29 the sun. But as usual it rained, and in the end
 30 we ate hamburgers and sausages in the
 31 kitchen.
