PROVA DE LÍNGUA INGLESA**STUDY SKILLS TIPS**

01 Many studies about language learning ask the
02 question: What makes a good language learner?
03 There are some things that good language learners
04 do and some things they don't do. Here are some of
05 the most useful suggestions from studies.

06 Don't be afraid of making mistakes. People
07 **often** get things wrong. Good language learners
08 notice their mistakes and learn from them.

09 Do group activities. People use language to
10 communicate with other people. A good language
11 learner always looks for opportunities to talk with
12 other students.

13 Make notes during every class. Notes help you
14 to remember new language. Look at your notes
15 when you do your homework.

16 Use a dictionary. Good language learners often
17 use dictionaries to check the meaning of words they
18 don't know. They also make their own vocabulary
19 lists.

20 Think in the language you're learning outside
21 the classroom. When you're shopping or walking
22 down the street, remember useful words and
23 phrases. Sometimes, when you're at home, say
24 new words to practise your pronunciation.

25 Do extra practice. Test and improve your
26 language, reading and listening **skills** with
27 self-study material. You can find a lot of this online.

28 Imagine yourself speaking in the language.
28 Many good language learners can see and hear
30 themselves speaking in the language. This helps
31 **their** motivation.

32 Enjoy the process. Good language learners
33 have fun with the language. Watch a TV series or
34 film, listen to songs, play video games or read a
35 book. It's never too late to become a good language
36 learner.
